THE S-CROSS

It’s bold, it’s dynamic, and built to energise.
A statement wherever it goes,
It’s a revelation for the ages.
You don’t see it, You feel it when it rolls by.
Created to be on the cutting edge, it’s not just a car
But also an inspiration to break free.
To feed the thrill.
To elevate the everyday.
So, let drives be your home.
Cruise through the city,
And conquer the rugged streets.
CREATED TO INSPIRE ADVENTURE

Driving through the city or mobility, the S-Cross is impossible to ignore. Adorned with an all-metal grille, it exudes a sense of aggression that demands a second look. The vertical bar design is bold and dominating. With strong design lines, a muscular stance and a chrome-tipped grille, it’s not just a car; it’s an invitation for a new adventure.
CREATED TO INSPIRE STYLE

The sharp and confident LED headlamps dominate at first glance. While the crystalline touch hints the S-Cross an edgy and premium persona.

CREATED TO INSPIRE POWER

The dynamic alloy wheels, spinning with impact, take attitude to a whole new level. Enjoy each ride to the extreme as you take these metal marvels for a spin.
S-Cross is powered by the DDID 200 Smart Hybrid Diesel Engine. Paired with an Integrated Starter Generator (ISG), it not only improves fuel efficiency by supplementing the engine’s power, but also enhances better acceleration and all-round performance.

- IDLE STOP START
- BRAKE ENERGY REGENERATION
- TORQUE ASSIST FUNCTION
- GEAR SHIFT INDICATOR
S-Cross has convenience and stunning looks rolled into one incredible package.

**CREATED TO INSPIRE ELEGANCE**

S-Cross comes with Auto Rain Sensing wipers that detect rain and start automatically. They regulate frequency according to the amount of rainfall and the rain sensitivity can also be controlled.

- **AUTO RAIN SENSING WIPERS**
- **INTERNALLY ADJUSTABLE ORVMs**
- **ROOF RAILS**

Enjoy seamless entertainment on-the-go with the power of both, Apple CarPlay and Android Auto. Synchronize your phone and enjoy the large touchscreen with endless entertainment and a complete Navigation System.

SMARTPLAY INFOTAINMENT SYSTEM

Stay updated with the vehicle's vital information on the Hi-definition TFT screen that displays a multitude of information including fuel consumption, a trip meter, driving range and a Gear Shift Indicator.

MULTI-INFORMATION DISPLAY

The luxurious interiors beckon you the moment you open the doors of the S-Cross. Inside, class meets convenience in a unique blend with the soft-touch dashboard and the steering-mounted audio controls.

CREATED TO INSPIRE INDULGENCE
Enter a world of comfort and luxury that is sure to inspire your senses. When you enter the S-Cross, you are treated to an expansive space, intricate stitching and stylish contours, making your drive an unforgettable experience.

CREATED TO INSPIRE LUXURY

The rear seats come with a two-position seatback adjustment.

ADJUSTABLE REAR SEATBACK
CREATED TO INSPIRE VERSATILITY

With ample flexibility on offer, the S-Cross can fit a whole range puck to your liking and enough hand luggage. From the spacious boot opening it guarantees a cargo area that's ready for every adventure.

FLEXIBLE USAGE SPACE

The rear seatback can be folded down to create a bigger luggage area that's nearly flat. To allow easy loading and unloading of the space, the luggage board can also be mounted at an angle.
All the little things matter in the S-Cross which is why it comes loaded with segment-first features and conveniences.

**CREATED TO INSPIRE EFFICIENCY**

- **Cruise Control**: Make longer journeys more comfortable with the electronic control system that lets you pick any cruising speed over 40 km/h.
- **Adjustable Steering Wheel**: The steering column features a telescopic and tilt adjustment for your comfort.
- **Driver Side Anti-Pinch Window**: The auto up/down power window on the driver’s side automatically rolls down when an obstacle is detected for optimum safety.
Crafted using the finest materials, the S-Cross provides a reliable structure and lightness of body to preserve fuel efficiency while making it a safe space, even at high speeds.

CREATED TO INSPIRE SAFER ROADS

The suspension is tuned to ensure the best possible combination of stability, comfort and quiet spirit.

HIGH-RIGIDITY AND LOW-WEIGHT BODY STRUCTURE

The body of the S-Cross is stiff and light thanks to the effective use of high-tensile steel. It helps in providing stable handling and a great fuel economy.

HIGH-PERFORMANCE SUSPENSION

The suspension is tuned to ensure the best possible combination of stability, comfort and quiet spirit.
Suzuki’s Total Effective Control technology (TECT) concept results in effective absorption and dispersion of crash energy. The extensive use of high-tensile steel for major parts makes the body light and crashworthy.
